

Lewis E. Byrd, III.

Plaintiff

Case No. 17-CV-191-SOP

v.

Brandon Arnez,

Defendant.

To: Western District Court,

If the court does not allow me any more time or discovery, I will ask the court to consider this response to Summary Judgment and allow me to Amend it once discovery is made available to me. I do not know how the court process works. I am not a lawyer. I have not graduated high school and have very limited resources to fight this case. I'm having a hard time comprehending what it is that the court or defendants are asking of me. I have ask for help from counsel and asked the court to appoint me counsel to help me. I am requesting that again. If the court Denies these request then I ask the court to move forward with what I have presented here. Thank you.

Respectfully,  
Lewis Byrd
